To: Steven Parker, Redwood City  
From: Mark Sanders, Westpoint Harbor

Subject: **Request to allow opening the Phase 3 paths in Westpoint Harbor**

Reference: Charles Jany letters of 6/16/08, 5/6/11, and 2/21/12 requiring the certain areas to remain closed to public access

Hello Steven,

We have completed the security fence as approved by the City in 2012 to allow the Phase 3 Bay Trail from Pacific Shores Center to the main trail section to be opened. This fence was for public safety purposes and I am requesting that Redwood City lift the condition and authorize Westpoint Harbor to open the Phase 3 portion of the Bay Trail.

In addition I ask that you inform Pacific Shores Center of this fact such that they can allow the gate between the two properties to be opened as provided for in the easement we have for access.

Thank you very much,

mark sanders
